WHY US?

A big thank you to the team at BBM for creating our pre-wedding and AD wedding videos! The shoot that we did with BBM was not only of phenomenal quality but also was an amazing experience for us as a couple. Thank you once again for your dedication and superb creativity! We would definitely recommend BBM to anyone who wants something special in their wedding videos! - **Clarence & Elva**

Thanks Meiyin and team for capturing down all the beautiful moments for us. Watching the videos again and again has become one of my favourite past time. Damn magical. #kidyounot May you continue to impact people's lives through your videos. Guys, you've to experience it yourselves to know how magical it is. #whatareyouwaitingfor #inBBMwetrust #tryittoknowit #noregrets #totalsatisfaction - **James & Melissa**

I must say it was a really great experience! We've received great reviews from friends and families and are immensely satisfied with the outcome of the video. You know it's enjoyable when even you and your spouse can watch it repeatedly and still laugh each time! - **Justin & Kimberly**
